Affordable prices

Our affordable prices allow small events or functions the opportunity to enjoy the benefits of hiring catering equipment. Our service provides you with a standard three day or weekly hire period, with delivery and collection optional.

Delivery Service

Our delivery and collection service is available to all customers. Hired crockery and cutlery are delivered in plastic moulded boxes with lids that can be nest stacked for storage when not in use. Glassware is delivered in lightweight, rigid, fluted crates that are also stackable for easy storage. **Please note that larger items such as furniture and heavy kitchen equipment MUST be delivered by Platehire & Clean.** A delivery and collection charge is applied subject to the delivery area. Please ask us for further information.

Wash Up Service

After your event, we will wash the items for you! All we ask is that you remove excess food material and liquids, and place the equipment back in the storage boxes we have provided. **Due to Covid protocols, all orders are now subject to a washing charge.**

Equipment Range

Crockery

Our Classic whiteware crockery range is provided by Churchill, a UK manufacturer of 200 years, providing quality and excellence in the provision of extra durable tableware for the food service industry. The extensive range offers flatware elegance in wide rimmed classic shaped plates. To supplement the main crockery range, we are continuously adding products as the fashions and trends within the industry change.

Cutlery

Our traditional bead cutlery compliments our classic white crockery range, providing an elegant setting. For those special occasions, our Puccini range offers fine quality cutlery with clean styling, comfort and balance, with its highly polished tear shaped handle which is highlighted by the Sant Andrea quality touch mark on each piece.

Glassware

Our standard Saxon glassware range offers a cost effective, robust and practical solution, perfect for banqueting. For a more elegant setting, our Cabernet range of glassware offers beautiful tulip style wine glasses and tall stemmed champagne flutes. We also offer an extensive selection of tumblers and other glasses, should you require them for your event.

Bar, Service & Beverage items

We carry a large selection of items which can provide a great addition to the service element of your event. We supply selected kitchen utensils and also drinks trays, waiters trays and canape trays, through to tea and coffee solutions and cake stands. We also stock bar service items.

Kitchen Equipment

We stock heavy kitchen equipment including ovens and hot cupboards, and have a good selection of smaller kitchen equipment such as chafing dishes and gastronome trays. We also have numerous electrical items in stock.
